Dear FOI Officer,

This request refers to the midwife led unit at Wallingford Community Hospital.

Can you tell me:
- Since 1 December 2014 how many nulliparous (first time) women entered the unit mid-labour?
- Since 1 December 2014, how many of those women were transferred to an obstetric unit.
- Of those transfers, how many were prior to the birth.
- of those transfers, how many were post birth.

If you are unable to answer the last 2 questions, I’d still like the answers to the first two.
