

Dear Sir/Madam,

I am writing to respond to your request sent on the 9th November 2016. OUH can confirm that it does not hold all the data that you requested.

1. Are your car parks managed by a private contractor? If yes, please provide the name of the contractor. Managed by OUH Trust but monitored at JR, CH & HORTON by MITIE

3. What is the cost of a parking enforcement fine in your car parks? The Trust does not charge a "fine". It is a charge for breaching the terms and conditions of parking. The charge at JR, CH & HORTON is £50 (reduced to £25 if paid within 14 days)

4. How many parking enforcement ticket appeals did you receive between 1st April 2015 and 31st March 2016? Information not readily available (held by third party)

5. How many parking enforcement ticket appeals were successful between 1st April 2015 and 31st March 2016? Information not readily available (held by third party)

2. How many parking enforcement tickets were issued in your car parks between 1st April 2015 and 31st March 2016? Information not readily available (held by third party)

NB: All information held by third party organisations may be chargeable under s12 FOIA (cost limit £450).

Yours sincerely,
