

Dear

I am writing to respond to your request sent on the 14<sup>th</sup> November 2016. OUH can confirm that it holds the data that you requested.

**Oncology Drug Preparation:**

- How many chemotherapy infusions are performed in an average month at Oxford University Hospitals? **Average per month 2631 doses**
- How are the chemotherapy doses administered during these procedures obtained? Are the doses prepared by a separate facility? **The doses are prepared under contract by a third party- Baxter Healthcare**

Yours sincerely,
