

Dear [REDACTED]

I am writing to respond to your request [REDACTED] February 2016. Oxford University Hospitals NHS Foundation Trust can confirm that it holds the data that you requested.

1. What was the total number of first lip repairs carried out in 2015?	23
2. What was the mean age of patients on the day of their first lip repair for operations carried out in 2015?	4.2 months
3. How many lip repair operations were cancelled or postponed in 2015. Please ignore cancellations due to patient illness. Please note if a patient has had lip repair cancelled or postponed more than once then this should be reflected in the total.	<5
4. How many patients had their first lip repair carried out when they were six months old or older without specific clinical reasons for delay in 2015?	0
5. What was the total number of first palate repairs carried out in 2015?	27
6. What was the mean age of patients on the day of their first palate repair for operations carried out in 2015?	13.1 months
7. How many palate repair operations were cancelled or postponed in 2015. Please ignore cancellations due to patient illness. Please note if a patient has had palate repair cancelled or postponed more than once then this should be reflected in the total.	6
8. How many patients had their first palate repair carried out when they were thirteen months old or older without specific clinical reasons for delay in 2015?	<5* *these <5 patients were late referrals into the Service and referred later than aged thirteen months and therefore primary cleft palate surgery was later.
9. What was the total number of alveolar bone grafts carried out in 2015?	13
10. What was the mean age of patients on the day of their alveolar bone graft for operations carried out in 2015?	9 years
11. How many alveolar bone grafts were cancelled or postponed in 2015. Please ignore cancellations due to patient illness. Please note if a patient has had alveolar bone graft cancelled or postponed more than once then this should be reflected in the total.	5
12. How many patients had their alveolar bone graft carried out when they were nine years old or older in 2015?	8

Please note that on 1 November 2011 the Oxford Radcliffe Hospitals NHS Trust (ORH) merged with the Nuffield Orthopaedic Hospital NHS Trust (NOC) to form the Oxford

University Hospitals NHS Trust (OUH). Our response reflects these changes. Therefore, we consider that Oxford University Hospitals Trust has released to you all of the information that it holds in relation to your request.

Internal review

If you are dissatisfied with the service or response to your request you can ask for an internal review by writing to:
