

Dear [REDACTED]

I am writing to respond to your request [REDACTED] [REDACTED] April 2016. Oxford University Hospitals NHS Foundation Trust can confirm that it holds the data that you requested.

1. The number of patients and hospital staff that have been reported to the police under the 'Prevent duty' since July 2015, broken down by the hospital they were being treated in or worked in, and by hospital department, where this information is available. **Zero**
2. A breakdown by age, ethnicity, gender, and faith of those questioned and reported under the 'Prevent duty', where this information is available. **Zero**
3. The number of patients and staff referred to the Channel programme, broken down by age, ethnicity, gender, and faith, where this information is available. **Zero**

Please note that on 1 November 2011 the Oxford Radcliffe Hospitals NHS Trust (ORH) merged with the Nuffield Orthopaedic Hospital NHS Trust (NOC) to form the Oxford University Hospitals NHS Trust (OUH). Our response reflects these changes. Therefore, we consider that Oxford University Hospitals Trust has released to you all of the information that it holds in relation to your request.

Internal review

If you are dissatisfied with the service or response to your request you can ask for an internal review by writing to:

[REDACTED] Director of Assurance, John Radcliffe Hospital, Headley Way, Headington, Oxford OX3 9DU.

If you remain dissatisfied with the handling of your request or complaint, you have a right to appeal to the Information Commissioner at:

The Information Commissioner's Office,
Wycliffe House, Water Lane,
Wilmslow,
Cheshire,
SK9 5AF.

Telephone: 0303 123 1113 Website: www.ico.gov.uk

Provision of this information does not constitute permission for its commercial re-use in terms of the Re-Use of Public Sector Information Regulations 2005. You are free to use the information for your own use, including for non-commercial research purposes. The information may also be used for the purposes of news reporting. However, any other type of re-use will require permission from the Oxford University Hospitals NHS Trust
