

Dear [REDACTED]

I am writing to respond to your request [REDACTED] [REDACTED] December 2015. Oxford University Hospitals NHS Foundation Trust can confirm that it holds the data that you requested.

**Q1.**

1. How many patients have waited more than 12 hours in your A and E department in the last 3 years. Please break this down per month. To be clear, this is since the patient arrived in A and E, not since decision to admit the patient to the hospital.

We are reporting the arrival time to departure.

**Q2**

How many 12 hour decisions to admit patient did you report to NHS England in the last 3 years, please break this down per month.

This time frame is where you had to report a 12 hour breach to NHS England (it is typically taken after the patient has been in A and E more than 12 hours after decision to admit)

We are reporting one 12 hour trolley waits in the timeframe of 2013/15 and one was reported in 2015.

**Q3a**

How many people came to A and E in the last 3 years, please break this down per month.

Of this total number of patients, how many people were admitted to hospital for an inpatient stay - again please can you give me three years data, broken down per month.

This data does not come from data submitted to NHS England and as such is not verified. The submitted data does not hold the field that records whether a patient has a hospital admission from A&E.

#### Q4

Of those people that were admitted (Q3A), in question 3 how many people breached the 4 hour A and E target, per month for the last 3 years

This data does not come from data submitted to NHS England and as such is not verified. This is because the submitted data does not hold the field that records whether a patient has a hospital admission from A&E.
