

Dear [REDACTED]

I am writing to respond to your request [REDACTED] January 2016. Oxford University Hospitals NHS Foundation Trust can confirm that it holds the data that you requested.

There were 108,477 urines in total tested for Culture and Sensitivity between 1/4/14 - 31/3/15.

77,499 were from female patients and 30,776 from males.

We are unable to distinguish No growth and No significant growth results from mixed growths in our data search.

If it helps the total of No growths + No significant growth + Mixed growths is 55,620 for females and 23,951 for males.

Please note that on 1 November 2011 the Oxford Radcliffe Hospitals NHS Trust (ORH) merged with the Nuffield Orthopaedic Hospital NHS Trust (NOC) to form the Oxford University Hospitals NHS Trust (OUH). Our response reflects these changes. Therefore, we consider that Oxford University Hospitals Trust has released to you all of the information that it holds in relation to your request.

Internal review

If you are dissatisfied with the service or response to your request you can ask for an internal review by writing to:

[REDACTED] Director of Assurance, John Radcliffe Hospital, Headley Way, Headington, Oxford OX3 9DU.

If you remain dissatisfied with the handling of your request or complaint, you have a right to appeal to the Information Commissioner at:

The Information Commissioner's Office,
Wycliffe House, Water Lane,
Wilmslow,
Cheshire,
SK9 5AF.

Telephone: 0303 123 1113 Website: www.ico.gov.uk

Provision of this information does not constitute permission for its commercial re-use in terms of the Re-Use of Public Sector Information Regulations 2005. You are free to use the information for your own use, including for non-commercial research purposes. The information may also be used for the purposes of news reporting. However, any other type of re-use will require permission from the Oxford University Hospitals NHS Trust.

Yours sincerely,
