

Dear [REDACTED]

I am writing to respond to your request sent on the 11th July 2016. OUHFT can confirm that it holds the data that you requested.

Do you run a bring your own device (BYOD) or choose your own device (CYOD) scheme? Please specify which. **We permit use of phones on our guest wifi**

2. If so, do you have a mobile device management policy for this scheme? **We have Exchange Policies**
3. Please could you share the details of your mobile device management policy? **We limit use and ensure that we can wipe the phones**
4. What is the average number of consumer applications downloaded on employees phones used for work (either BYOD or CYOD)? **n/a**
5. What are the 10 most common consumer applications downloaded on employees phones used for work (either BYOD or CYOD)? **n/a**
7. Which devices are currently used by your staff as part of this scheme? **Tablets, mobile phones, smart watches, any other phones or tablets for email access**

Please note that on 1 November 2011 the Oxford Radcliffe Hospitals NHS Trust (ORH) merged with the Nuffield Orthopaedic Hospital NHS Trust (NOC) to form the Oxford University Hospitals NHS Trust (OUH). Our response reflects these changes. Therefore, we consider that Oxford University Hospitals Trust has released to you all of the information that it holds in relation to your request.

Provision of this information does not constitute permission for its commercial re-use in terms of the Re-Use of Public Sector Information Regulations 2005. You are free to use the information for your own use, including for non-commercial research purposes. The information may also be used for the purposes of news reporting. However, any other type of re-use will require permission from the Oxford University Hospitals NHS Trust.

Yours sincerely,
