

Dear

I am writing to respond to your request sent on the 13th October 2016. OUH can confirm that it holds the data that you requested.

How many non-EU nationals were treated in your NHS trust during each of the last four financial years?

12/13 314

13/14 513

14/15 839

15/16 1289

How many of these were "chargeable" patients - i.e. those who should not have been receiving NHS care for free? Please give figures for each year

12/13 183

13/14 303

14/15 250

15/16 371

How much money has the trust recovered in charges from patients who were not eligible for free NHS care? Please give figures for each year

The figures provided are based on invoiced income for each year; these may include previous year's invoices. In addition, the figures will include patients on a payment plan.

12/13 £152500

13/14 £203120

14/15 £376000

15/16 £523280

How much money has the trust not been able to recover in charges from patients who were not eligible for free NHS care? Please give figures for each year

The figures provided are based on invoiced income for each year; these may include previous year's invoices. In addition, the figures will include patients on a payment plan.

12/13 £333000

13/14 £196500

14/15 £124000

15/16 £117000

Which departments were most frequently used by non-EU overseas patients (e.g. maternity/gynaecology)?

As per email correspondence on the 31st October, the Trust is unable to provide this information (Information is not readily available)

Yours sincerely,
