

Dear Sir/Madam,

I am writing to respond to your request sent on the 23<sup>rd</sup> September 2016. OUH can confirm that it holds the data that you requested.

**Total number of HD patients-** 422 on hospital HD and 14 on home

**We have 3 suppliers of dialysis machinery:** Gambro (now owned by Baxter), Braun and Fresenius. Patients will dialyse on any of the three machines on any visit.- and both Gambro and Braun are used for home dialysis.

Most patients use **dialysate** supplied by **Fresenius**. A small number use Citrasate.

The rest of dialysis consumables are awarded from the framework

Total number of CAPD patients		
Number of patients using Baxter equipment	9	
Number using Fresenius equipment	14	
Other	0	
Total number of Automated peritoneal dialysis patients		
Number using Baxter equipment	59	Cost is per day for treatment based on solutions not items so unable to provide price of drain lines or bags
Number using Fresenius equipment	11	The Trust is unable to disclose the unit prices under s43 FOIA, this is deemed commercially sensitive information
Other	0	

Yours sincerely,
