

Dear

I am writing to respond to your request sent on the 19th September 2016. OUH can confirm that it holds the data that you requested attached.

The Trust has not responded to some of the questions based on the email communication dated the 26th October 2016. You were advised under s12 FOIA that the work required to fully satisfy your request will exceed the cost limit of £450 as stated in the Act.

Under the Freedom of Information Act, please could you fill out the following Freedom of Information request with the information for your Trust? Please note that the information provided in response to this request may be partly or wholly re-used unless specified otherwise by the response.

1. Please supply me with your most up to date wound care formulary (please indicate if you do not work from a formulary) - **The Trust will withhold under s22 – future publication (this document is under review).**
2. Please can you outline how compliance with your formulary is enforced? **Education from the Tissue Viability Team and supply is monitored by procurement and pharmacy**
3. Please indicate where possible what your average monthly usage of each product is. **This data is not readily available, withheld under s12 FOIA**
4. Can you list the number of wound care products used that are not currently on the formulary? **Omitted**
5. Can you provide usage levels for non-formulary wound care products in each of the last twelve months? **Omitted**
6. How often do you review your wound care formulary and when was this last undertaken? **Wound care formulary is reviewed on an ongoing basis, as above in (Q1) this document is under review**
7. Can you provide an overview of the information you assess when reviewing your formulary? **Clinical evidence, applicability to services, acceptability, functions, and cost effectiveness**
8. Can you supply the number of tissue viability nurses employed in

- i. **2016 – 5.6 WTE**
- ii. **2015 – 5.6 WTE**
- iii. **2014 – 4.6 WTE**
- iv. **2013 - 1**
- v. **2012 - 1**

9. Can you supply the number of leg ulcer nurses employed in

- i. 2016 - 0
- ii. 2015 - 0
- iii. 2014 - 0
- iv. 2013 - 0
- v. 2012 - 0

10. What percentage of your practice nurses received specialist training in wound management in:
The Trust does not employ practice nurses

- i. 2016
- ii. 2015
- iii. 2014
- iv. 2013
- v. 2012

11. Can you supply us with the figures for your total spend on wound care products in – **Withheld under s12**

- i. 2015
- ii. 2014
- iii. 2013
- iv. 2012
- v. 2012

12. Can you supply us with the figures for your total spend on compression bandages in - **Withheld under s12**

- i. 2015
- ii. 2014
- iii. 2013
- iv. 2012
