Request

I would like to request the outcome details of all "banding panels" (or similar named group within your Trust with assess, grade and confirm pay levels for jobs within the Trust), covering the time period of 1st September 2016 til today (08 th December 2016).

Details I request:

Date of Panel
New / Regraded Job (e.g. newly created post or existing post which is being reviewed due to a change) Job Title (e.g. "Outpatient Department Manager") Job Category (e.g. Admin, Nurse, etc) Pay Scheme (e.g. Agenda for Change, Medical and Dental, VSM, etc) Pay band/rage (in standard ranges, e.g. AfC Band 6)

I am not seeking details of jobs advertise, used, filled, employed, only that the jobs have gone before the panel and been assessed.
