Summary

1	The provider arm of Oxfordshire County Council together with the OUH NHS Trust and Oxford Health FT have agreed a set of joint working arrangements to secure improvements in patient flow across the health and social care system. As part of the joint working arrangement eight workstreams have been established and these form the joint provider action plan.
2	An overview of each workstream and progress to date is provided in the DTOC Provider Project Initiation Document together with the governance arrangements for the provider alliance.
3	Recommendation: The Trust board is recommended to approve the joint provider working arrangements and note the progress against each of the eight workstreams.

Mr Paul Brennan, Director of Clinical Services
