

## Oxford Community Diagnostic Centre

(Housed in the Perspectum Building)  
Gemini One,  
5520 John Smith Drive,  
Oxford, OX4 2LL  
Tel: 01865 226644

## Cycle - - -

There is a cycle path that goes under the A4142, that come out near the patient parking area. There are bike sheds around the perimeter of the site, which we will provide access for.

## Driving —

- 1 From the **A4142** (ring road) head for signs to **Oxford Business Park, Cowley**.
- 2 Follow signs for the **B480 Cowley**, taking the exit forhead north-west on **Garsington Road** on the roundabout.
- 3 At the **roundabout** (by the Morris Monument) take the **1st exit** to **John Smith Drive (Oxford Business Park South)**.
- 4 At the **next roundabout** (with waterfalls) take the **2nd exit** (John Smith Drive). Do not take the first John Smith Drive exit.
- 5 Stay on **John Smith Drive** for around **300 yards** (and take the third left when you see 3 big umbrellas on your left hand side and the signs for Oxford Community Diagnostic Centre) at this point turn left into the **Perspectum site**.
- 6 Then turn **right** at the **small roundabout** - the **car parking area** is on your **right**.
- 7 Once parked please follow the **dotted line** on the map to take you to the **main entrance** of the building.

## Bus

There are 2 main Bus Stops on the Oxford Business Park, they are located on the main

**A**

**Garsington Road** follow road route.

Number 46 Oxford to Le Manoir and Number 11 Oxford to Watlington stop on Garsington Road by the petrol station just before the roundabout at the entrance to the business park or The Longwall just the other side.

**B**

**Barns Road** follow the arrow as indicated on the map then the driving route. Numbers 1 & 5 pickup from St Aldates opposite Oxford Town Hall and come via Templars Square towards Blackbird Leys and stop at Barns Road next to the park near the alley way into the business park. Number 100 comes from the JR towards Blackbird Leys and stops at Templars Square.

Please contact your local Bus Service provider for details on times and stops.
